## Associated Courses

Students who are members of University of Iowa intercollegiate athletics teams may register for CSI:1460 Athletic Transition Seminar.

First-year student-athletes who enroll in CSI:1460 receive 1 s.h. of graded credit. This eight-week course provides new student-athletes with an overview of the Iowa athletics department, Hawkeye Life student development programs, and campus resources.

Continuing students may enroll in CSI:1480 Financial Wellness for Student-Athletes and receive 1 s.h. of credit, graded on an S/U basis. This eight-week seminar prepares student-athletes for their transition out of collegiate athletics through financial literacy.

Registration for CSI:1460 and CSI:1480 requires permission from Student-Athlete Academic Services. Members of University of Iowa sport clubs are not eligible to enroll.
